## **Don't wait, reserve your room now!**

Hotel accommodations are available at the [King and Prince Beach & Golf Resort](#) for a group rate starting at \$120/night for a Standard Room or \$150/night for an Ocean Front Room.

***The group rate will be offered until Monday, August 11 or until the room block is sold out.***

So, don't wait! Make your reservation now to guarantee your room type and rate. To make your reservation please call 877-724-3170 and mention the "Georgia Perinatal Association" or e-mail your reservation to [reservations@kingandprince.com](mailto:reservations@kingandprince.com).

## **Lots Happening at Liberty Regional Medical Center**

**Hinesville, Georgia**

Liberty Regional Medical Center, Winn Army Community Hospital, and the Liberty County Health Department partnered together to host the 2014 Community Outdoor Health Expo at Holbrook Pond on Fort Stewart, on June 7, 2014. There were over 500 people in attendance who participated in the valuable health screenings and outdoor activities. Liberty Regional Medical Center, the Liberty Regional Medical Group Physicians' offices, and Comprehensive OB-GYN set up exhibits showcasing their

services including prenatal care and performing blood glucose, cholesterol, and blood pressure checks for the event-goers. And I, as the Liberty Regional Medical Center's childbirth educator, had an exhibit containing educational information regarding what to expect during labor and delivery, newborn care, and very timely information regarding the "[Look Before You Lock](#)" campaign. Liberty Regional Medical Center also sponsored the Lil' Patches Clinic, an area the children were able have their dolls and stuffed animals triaged and treated.

Liberty Regional Medical Center Perinatal Department is proud to be chosen has one of the Georgia medical facilities to participate in the Postpartum Hemorrhage Project.

In August, Liberty Regional Perinatal Services will celebrate our first-year anniversary in our new suite which showcases Labor and Delivery rooms, a much larger baby nursery, and a new state of the art operating room.
